

# AWARDS AND RECOGNITION

Presented to BioPharma Services

## CRO Leadership Award

For the CRO Leadership Awards, Life Science Leader magazine partners with Industry Standard Research (ISR) to determine the award recipients for various categories in the annual CRO Quality Benchmarking survey. In 2018, BioPharma Services was proud to receive awards in four categories: Expertise, Capability, Reliability and Compatibility. This achievement was surpassed in 2019 and 2020 as a fifth category Quality was added to the roster of awards. In 2020, BioPharma was also voted CRO Leadership Award Champions in the Capability and Expertise categories.

## Global Health and Pharma Awards

BioPharma is proud to be able to offer clients full-service, in-house clinical trial capabilities to support drug submissions to all major international regulatory bodies. We were therefore honored that as part of their 2019 Biotechnology Awards, Global Health and Pharma (GHP) named BioPharma Services as the Best Full Service CRO, North America.

In 2021, BioPharma was further recognized as a Most Innovative Bioequivalence CRO. The 2022 award for Leading Providers of Pharma Product Clinical Trial Services 2022 came about as BioPharma was nominated in Global Health & Pharma's seventh annual Biotechnology Awards and won an award for Life Science eQMS Cloud Platform: Dot Compliance.
